

LEIF

Stay, Stacie! Stay! Oh hello! I'm sorry you had to see that. Every time I try to make Stacie laugh, I just make her mad. I don't know what it is about me, but I always seem to 'Leif' her feeling prickly. That's a joke because my name is Leif. Well, my full name is Leifson Erikson Johanson Axelson Jakobson Magnusson Berg. But Leif for short. I love her so much! But I can't make her laugh like I used to. She has the most beautiful laugh. I've tried everything! If I say "knock knock" she says "no one is home". If I could make her laugh, I think she'd be my friend again. With how stubborn Stacie is I'll need a team to cheer me on! Oh, I know! You can be my cheerleaders! But that means we need a cheer. Hmm... How about, every time I come out here I'll say 'Don't stop' and you'll say 'Be-leif-ing'! Cause my name is 'leif'... be-leif-ing? If we do that then I'll know I should 'hold on to that feeling'. Will you do that for me? Well 'Don't stop-' Oh dear oh dear! We need practice. Okay, I'm going to run off stage and when I come back, I want everyone on the left side of the audience to try it. Okay?

Don't stop! (Wait for Response: Be-LEIF-ing!) That was pretty good! Let's see if the right side of the audience can do any better.

*LEIF exits stage left. Re-enters.*

Don't stop! (Wait for Response: Be-LEIF-ing!) Whoa! That was great! Okay, now lets have everyone on the left and everyone on the right and everyone who voted for the green party.

DON'T STOP! (Wait for Response: Be-LEIF-ing!) Wow! That was amazing! You're the best cheerleaders ever! I better go find Stacie!
