

Gustaf, Anna & Lesa

GUSTAF

Anna! Lesa! It's nice to be home.

*They all hug.*

LESA

Come on guys, I have a whoopee cushion begging to be put on Mayor Maynott's chair!

GUSTAF

Not right now Lesa. We have to work on the flower arrangements.

LESA

Then I'll help with the flowers!

LESA tries but immediately messes up the flowers.

LESA (CONT'D)

Sorry...

GUSTAF

Lesa, this is kind of a two person job.

LESA

But-

GUSTAF

And we planned out exactly what we were gonna do.

LESA

You always make me the third wheel!

ANNA

Lesa!

*LESA stomps off. SIRI and ALEXA follow her.*

GUSTAF

Shouldn't you go after her?

ANNA

She's being dramatic.

GUSTAF

She wasn't like this when we were kids.

ANNA

Mom and Dad helped temper her tantrums, remember? I miss them too but now she's so over the top. It's not like I'm trying to leave her out!

GUSTAF

Well, I'd never leave you out, Anna.

ANNA

Aww! You're so sweet. Now put these roses over there. No, there. To the left. My left.
